

2018 SCHOLARSHIP APPLICATION REQUIREMENTS

- Applicant must be a young, regular or feeder member of the California Cattlemen's Association. No exceptions. If you are not a member, contact the CCA office to join at (916) 444-0845.
- Applicant must be a high school senior accepted to a university or college, or an undergraduate, master, school of law or veterinary student attending or enrolled in a junior college, four-year college, university or law school.
- Applicants must be attending, or have graduated from, a California high school **or** an out-of-state student currently attending a California college in order to apply.
- Applicant must have a cumulative grade point average of at least 2.75 on a four point scale.
- Applicant must be studying a major consistent with career goals and should be planning a career associated with the beef cattle industry. This can include, but is not limited to, cattle production, genetics, nutrition, trade, law, agricultural communications, agricultural education, marketing, lending, policy, etc.
- A typed 1,000-word or less statement outlining career goals and the purpose for applying must be included. Applicant should cite all activities that demonstrate leadership qualities and intellectual growth and breadth of interests.
- Applicant must attend an in-person interview held during CCA & CCW Convention & Trade Show Tuesday, Nov. 27, 2018, Reno, NV. No phone interviews will be allowed except in the case of medical reasons and out-of-state students.
- A letter of recommendation from a faculty member of the applicant's current school (high school, two-year college, four-year college, etc.) and a letter of recommendation from one other person of the applicant's choosing must be included. Letters from family members will not be accepted.
- A copy of the applicant's current transcripts must also be included indicating academic status and major (if enrolled in college). Transcripts need not be official. Unofficial transcripts obtained from the school's student website or other student portals will be accepted.

APPLICATION PROCESS

- Applications must be typed and returned in full to the California Cattlemen's Association office no later than **Friday, October 12, 2018** via email to Jenna Chandler at jenna@calcattlemen.org. *Application pieces must be combined into **one** PDF document to be accepted.*
- Applications will be pre-screened based on the criteria herein and finalists will be contacted to schedule an interview with the selection committee.
- Recipients of the CCA scholarship program can re-apply the following year.
- Failure to adhere to any of the previous requirements may result in a disqualification of the application. It is the responsibility of the applicant to ensure that all information is provided. The CCA office will not contact applicant regarding any missing information.
- Please note that supplemental materials included with scholarship applications will not be used in the selection of scholarship recipients. Only the materials outlined in this application will be accepted for consideration.
- Qualified applicants will be interviewed at the CCA/CCW Annual Convention in November. In order to receive a scholarship, applicants must be interviewed.

SCHOLARSHIP OPPORTUNITIES

In 2017, over \$20,000 in scholarships was awarded. Scholarship amounts and quantities vary year to year. By filling out the CCA standard scholarship application you are eligible for any or all of the following:

CCA Allied Industry Scholarship: Due to the outstanding support of the CCA Allied Industry Council, scholarship assistance is available to students currently enrolled in higher education or those with a senior status in high school.

CCA Feeder Council Scholarship: With special assistance and the generosity of Allflex, USA and the California Cattlemen's Association Feeder Council, the association is pleased to offer scholarships to students planning to enter a career with a beef cattle orientation.

Hank Stone Memorial California Beef Cattle Improvement Association Scholarship: The outstanding support of the California Beef Improvement Association (CBCIA) has made available scholarship assistance to students interested in beef cattle genetics and/or breeding. Students applying should have a demonstrated a continuing interest in beef cattle.

Livestock Memorial Research Fund Scholarship: The Livestock Memorial Research Fund (LMRF) has provided exceptional scholarship assistance to students currently enrolled in veterinarian school or planning to be enrolled in veterinarian school in the near future.

Tom Grimmus Memorial Scholarship: The family of the late Tom Grimmus will award this annual \$2,500 scholarship to an outstanding college student who has plans of working in the beef industry as a producer. This scholarship began in 2013.
