of Agriculture and Agriculture

This material is based upon work supported by USDA/NIFA under Award Number 2012-49200-20030.

Identifying & Securing New Grazing Leases Stanislaus County Farm Bureau August 30 | 9:30 a.m. - 12 p.m. 1201 L Street, Modesto, CA 95353

Workshop is free
and open to all
ranchers!

Ranchers continually seek new opportunities for forage. Many of these opportunities are found by leasing local, state and private lands. This workshop is designed to help participants identify new grazing opportunities, prepare and submit competitive proposals and utilize government programs like the Environmental Quality Incentive Program to improve rangeland infrastructure.

Invited speakers include:

Utilizing EQIP to Improve Grazing Infrastructure

USDA Natural Resources Conservation Service

Identify & Preparing Grazing Lease Proposals

Tim Koopmann, Certified Rangeland Manager

Clayton Koopmann, Certified Rangeland Manager
